

Canada Post - Postal Strike Finished!

As you're likely aware, the Canada Post strike has had a major impact on all mail delivery across Canada. We were thankful to hear the news that Canada Post is now back to work and just in time for the Christmas rush!

As I'm sure you can imagine, most of the gifts that we receive at TWR Canada come to us through the mail. As a result of the strike, we've seen that our mail volume is lower compared to previous years at this time. I'm sure you've also noticed slower postal mail communications from us.

We are thankful for your ongoing partnership with us! Your gifts are vital to support the work of spreading the hope of Christ through media across the globe

Canada Post has indicated it could be several weeks before the backlog of mail is delivered. If you have been holding off on giving due to the postal strike, we'd love to encourage you to make use of our [website](#) or you can give by calling our office from Monday to Friday between 8:30am and 5pm EST at 1-888-672-6510.

Thank you for your consideration of a gift online or by phone. Your ongoing support of the ministry of TWR Canada is a blessing to so many across the globe! We are thankful for you!

God bless,

Ray Alary, President
